Dear Ms. Franchini,

Thank you for your most recent gift to the La Casa Cultural Latina Fund at the University of Illinois at Urbana-Champaign. Student Affairs makes every effort to ensure that each Illinois student feels engaged, empowered, and challenged during their education on campus.

Your gift allows us to offer programming and services that provide the leadership skills that will help students become our leaders for tomorrow's global society. It provides them with health and wellness initiatives that can give them a better quality of life. With your generosity we can engage students with opportunities that teach them to embrace diversity and find value in our differences. And best of all, your thoughtful example will nurture their resolve in giving back to our communities.

I welcome your continued partnership as Student Affairs grows. We pledge to be diligent stewards for your investments into the future of students on this campus. I hope that you will continue to take pride in your commitment to Student Affairs and the University of Illinois.

On behalf of all Illinois students, thank you for your generosity, loyalty and benevolence.

Warmest regards,

Dr. C. Renée Romano
Vice Chancellor for Student Affairs
